

■ MATERIAL EVALUATION

sealing sample test results

If you are unsure what type of sealer best fits your needs, you can always send us a sample for testing. Fill out the form below and we will find the most appropriate sealer for you.

Customer Information	Please fill out below:
Customer	
Company Name	
Address	
E-mail	
Tel/Fax	
Material Tested (type of bag, thickness, foil, width of bag opening, etc.)	
How often will you be using the sealer? For example, how many bags do you want to seal per hour?	
Any Sealer Preferences? If you don't know, it is ok, we will find one to suit your needs.	
Material Evaluation Results	<i>(for office use only)</i>
Recommended Sealer(s)
